Retail Warranty Reimbursement

Retail Warranty Reimbursement

Armatus Dealer Uplift is the largest provider of Retail Warranty Reimbursement submission services in the country. The company has worked with nearly 7,000 dealers, has over 16,000 successful submissions in all 50 states, assisted with drafting 17 warranty reimbursement statutes, and is endorsed by 23 State Dealer Associations.

A commitment to technological advancement makes Armatus the only turn-key solution in the industry capable of handling large volumes of work with precision and accuracy. With state-of-the art, proprietary software Armatus assures dealers get optimal results. The mission of Armatus is to ensure dealerships get paid at the highest rate, in the shortest period of time, and with as little disruption as possible. For more information, visit www.dealeruplift.com or call 877.477.2228.
