

Testimonials.....

“Our employees really like the direct deposit feature of the WATDA Cafeteria Plan. The staff is very easy to work with and they are quick to respond to our calls. We also appreciate staff coming to our dealership to hold informational meetings for our employees to learn more about the plan and to sign up.”

“Zimbrick has been on the WATDA Cafeteria Plan since 1988. WATDA works very hard to ensure we are in compliance with all of the rules and regulations. Our employees appreciate access to their account via the website and the level of customer service can't be beat!”

“We signed up with the Cafeteria Plan to show our employees how they could recoup some of their out-of-pocket health expenses by using pre-taxed dollars. Our employees really appreciate how efficiently their claims are processed and how quickly they receive reimbursement. As an employer, I appreciate how well the plan is managed by the Cafeteria Plan staff, which makes it a great benefit to offer employees.”

“Our employees really appreciate how quickly they receive reimbursement after submitting a claim. The Cafeteria Plan staff is very helpful, prompt in responding, and open-minded about continuous improvement. The staff does such good work that from our end, once employees are enrolled, the plan runs itself!”

“In our 25 year relationship with the WATD Insurance Trust, we have had hundreds of opportunities to switch our health insurance plan to a competitor. The Insurance Trust has consistently presented excellent value to our business and I can confidently say that the HRA plan has saved us thousands of dollars each month in the first year. With the HRA plan, the Insurance Trust is probably an even better value than it was in 1981.
