*The Answer Place for a Healthy Used Car Dealership*

## Through lobbying efforts, WATDA . . .

- Insured the **retention of the trade in credit** for sales tax purposes.
- Passed legislation which requires **permanent brand** on titles for rebuilt salvage vehicles.
- Worked with DMV to **allow dealers to inspect VIN numbers** in place of using law enforcement agencies on out of state titles.
- Will be watching for any legislation which would establish a **Used Car Lemon Law**. WATDA has been and will be working closely with the WATDA Used Car Council to protect the used car dealers interests.

## WATDA has informed dealers on such topics as . . .

- How to **correctly dispose** of used oil.
- How to handle **vehicle damage** disclosure.
- State **audits** on the use of independent contractors as drivers.
- A **State Supreme Court Ruling** holding sellers of used products strictly liable for injuries caused by product defects.
- Correct **employee hiring** procedures.

## In addition, WATDA provides . . .

- Two **Staff Attorneys** for legal advice to members.
- **Endorsed Programs** beneficial to used car members such as:
  - Hospital insurance
  - Competitive telephone service
  - Surety Bond
- **Seminars** for used car dealers to help maximize profits and minimize a dealer s legal problems.
- A complete **Reference Manual**, available through our WATDA website. It is filled with legal and practical information for operating a dealership.
